“Once in Afghanistan”

Produced by filmmakers  
Jill Vickers and Jody Bergedick

More than a nostalgic look back at their lives serving as Peace Corps vaccinators in rural Afghanistan, this beautiful and compelling story will make you laugh, cry, and, at the end, feel hope that in spite of enormous cultural differences we can recognize each other.

“salaam alaykum”

*This feature-length (70 minute) documentary tells the story of one Peace Corps group’s extraordinary experience in Afghanistan before the Soviet occupation.*

*The women moved village-to-village vaccinating against smallpox with their Afghan counterparts.*
