THANK YOU for your time and cooperation in completing an oral history interview. After the tapes are deposited in the RPCV Collection at the John F. Kennedy Library, you will receive a signed copy of the Deed of Gift.

This might be a good time to find and review your personal papers, relating to your Peace Corps service, and consider donating them to the Collection. They are as valuable a part of the Archives as the oral history interview. These should be primarily items produced by you.

To arrange to donate (in an email or letter):

1. List your name, address; give country of service, dates, project.
2. List and briefly describe personal papers (letters, diaries, journals; representative sets of slides/photos; items of unique archival value).
3. Do not send any papers until the RPCV Archivist requests you to do so.
4. Send this correspondence to:
